

PIMPRI-CHINCHWAD EDUCATION TRUST'S S.B. PATIL COLLEGE OF SCIENCE AND COMMERCE

Pinnacle of Success...

**EXCEL IN
BOARDS &
ENTRANCE EXAMS
UNDER
ONE ROOF**

S. B. Patil College of Science & Commerce is governed by **Pimpri Chinchwad Education Trust (PCET)**. With the excellence in prominent established institutes viz. Pimpri-Chinchwad Polytechnic(PCP), Pimpri-Chinchwad College of Engineering(PCCOE), S.B.Patil Institute of Management (SBPIM) and S.B. Patil Public School(SBPPS), Pimpri Chinchwad Education Trust (PCET) has started college of science and commerce at Ravet, last year.

Today 50 students are being successfully groomed in our campus and are entering in second year.

The idea is to provide excellent education in the college itself. The Integrated approach aims at having synchronized course plan for boards and competitive exams preparation under one roof which will avoid duplication of efforts and provide stress-free learning experience to the students. This will save the time of travel and students will get good amount of time for self study which is crucial for academic success.

The student joining the college does not need to attend any coaching classes for further guidance. We will raise his/her competency level layer by layer, right from boards to **JEE(advance) & NEET** level.

Experienced and competent teaching faculty

The key strength of S.B. Patil college is highly qualified and experienced faculty team that is comparable to the best in the field. The faculties take dedicated efforts which makes the students confident to face competitive environment like **JEE, NEET** or any such highly competitive exam.

Systematically Designed program:

The academic program is so designed that every student, from whatever background he may be, will excel to the best of his potential. This is ensured by building the concepts gradually and then reaching to the peak of a particular topic.

- Intensive classroom lectures
- Regular problem solving sessions
- Daily doubt clearing sessions
- Periodic testing and feedback system
- Subjective test to read the minds of students

Technology- aided learning

The teaching learning process is enhanced by taking the help of LCD projector. Students are exposed to the various animations so as to help visualize the concepts.
